It is fitting that the Chicago Council has chosen this Golden Jubilee Year to hold an Appreciation Dinner to recognize the service of the over 17,000 adult Volunteer Leaders who are carrying on this dynamic program in our Council.

The Chicago Council acknowledges with pride the service of 50 year Scouting veteran, R. Douglas Stuart, Honorary Council President.

Mr. Stuart is one of a select group of 34 men in the entire nation who have served Scouting during the whole 50 years of its existence.

In the February issue of SCOUTING Magazine, this outstanding and unselfish citizen gives the reasons for his devoted service.

The Chicago Council proudly salutes the first Congregational Church, sponsor of Troop 309 and St. Chrysostom's Episcopal Church, sponsor of Troop 40 who are now celebrating 50 continuous years of chartered service.

These two troops have been in continuous existence since the beginning of the Scouting movement.

The strength of this movement has been and continues to be the great corps of volunteer leaders who give of their time and talents with deep dedication and often at great personal sacrifice.

In attendance at our Pot Luck Appreciation Dinner are 3,550 outstanding representatives of Unit Leaders, Den Mothers, Merit Badge Counselors, District Committee Members, Council Members and others, to whom our entire citizenship owes gratitude and appreciation for their leadership in the program of Scouting.

We know that we can look to the future with confidence because you are bequeathing tomorrow's leaders with the principles of Scouting—principles of integrity, self-reliance, service, comradeship and devotion to America and liberty. Herein lies your satisfaction. Herein lies the salute to you for the job you are doing today to insure a better place for your children and your children's children to live tomorrow.

## NEW O & E VICE-CHAIRMAN

Virgil E. Gunlock, Chairman of the Council's Organization and Extension Committee has announced the appointment of James G. Morrison as vice-chairman of the committee.

Mr. Morrison was transferred to Chicago one year ago to become sales manager for the central area of the National Tube Division of the U.S. Steel Corporation.

He has served as a volunteer Scout leader in numerous capacities and was a member of the Executive Board of the Detroit Area Council.

Sidney Wanzer, III, Scout Commissioner, has announced that the first three recipients of the universal Scout Emblem pin with a simulated jewel piece for increased re-registration are a Scoutmaster and Advisor from Burr Oak District and a Scoutmaster from Thunderbird District. Scoutmaster Paul C. Smith, Troop 782 sponsored by the Evangelical Community Church, Blue Island, and Advisor Gordon Hill of Post 2782, same sponsor, received the Ruby jewel pieces. They are in the Burr Oak District. Scoutmaster Leon Sparks, Troop 972 sponsored by St. Andrews Catholic Church, Thunderbird District, received the emerald jewel piece.

The pins with simulated jewel pieces are awarded by the Commissioner Staff to Cubmasters, Scoutmasters and Explorer Advisors to recognize service to boys in the sponsoring institutions and communities. The award is made at the time of unit re-registration based on the number of Scouts in the unit at time of re-registration. To qualify for the awards, a unit must have the following numbers of boys on the charter application:

	Emerald	Ruby	Diamond
Pack	45 boys	55 boys	75 boys
Troop	25 boys	35 boys	50 boys

## GOLDEN JUBILEE ANNIVERSARY AWARDS

Thousands of Chicago Cubs, Scouts and Explorers will earn the 50th Anniversary Achievement Award patch during 1960. To achieve the award a Scout must complete certain projects within the areas of recruitment, advancement, physical fitness and a good turn.

Specific requirements for the award are listed in the 50th Anniversary Unit Guidebook which was mailed to all unit leaders in September.

Each unit may qualify for a President Eisenhower Streamer by having half of the boys in the unit qualify for the individual Achievement Award.

Streamers and patches may be obtained at the Chicago Council Trading Post upon application.

## HONOR ROLL OF DISTRICTS

## Scout Scrapbooks Depicting U.S. Life to be Sent Abroad

Has your Unit started its Bridges of Friendship project yet? Many of our Units are participating by preparing scrapbooks with captions in English and the language of the nation to which they will send the scrapbooks. This is one of the 50th anniversary celebration projects.

Your Unit selects as a Unit project the scrapbooks which will contain pictures and articles covering unit activities including favorite Scout songs, menus, recipes, games and skills.

You are urged to include pictures of home life and such family activities as trips, barbeques, and material about your community, its landmarks, industries, activities, and data on such group endeavors as worship, schools, libraries, theaters, recreations, government and natural resources.

Your scrapbooks, when completed should be mailed direct to the Bridges of Friendship project, National Council, Boy Scouts of America, New Brunswick, New Jersey.

## SCOUT WEEK ACTIVITIES

Scout Week, February 7 to 13, 1960, offers an opportunity to hold special activities, ceremonies, and parent nights.

Because this year represents the golden jubilee anniversary of the founding of the Boy Scouts of America every Unit should have some activity in commemoration and celebration of this big event.

Your Council Activities Committee suggests the following Scout Week program ideas:

1. Assistance in special school programs
2. Troop Courts of Honor; Explorer Ceremonies of Award.
3. Cub Pack Blue and Gold Banquets.
4. Window Displays.
5. Church and Synagogue participation —individual boys assist in special project in their churches or synagogues, or in Unit projects if all boys in the Unit are of the same faith.
6. Encourage all boys and leaders to attend the Church or Synagogue of their faiths on Scout Sabbath (Feb. 13) or on Scout Sunday (Feb. 7)
7. Participate in programs of sponsoring institution.
8. Provide speakers or programs for Service Clubs in your neighborhood.
9. Put on demonstrations in public places, streets, parks, store windows, etc.
10. Have all Scouts, Explorers, and Cubs in full uniform all day on February 8.
11. Invite prominent citizens to your Unit's Scout Week activities.
12. Arrange with your local newspaper to carry news stories. Let the Council Public Relations Service know of your plans for possible daily newspaper coverage.

The citizens of your community, as well as parents of your boys, will give support to Scouting in direct proportion to the importance of the position you give Scouting in your Community through your activities, accomplishments and publicity.

# FINANCE CAMPAIGN UNDER WAY

## Chairman Predicts Success Enthusiasm Great

The Chicago Council Finance Campaign has been kicked off in all divisions, and Allen P. Stults, general campaign chairman, said, "The general business and industry and council special gifts campaigns which have been moving since the first week in December have stronger campaign organizations than ever before. We expect to reach our goals in these two divisions early in the campaign."

The \$499,600.00 goal will further the progress of the Scout Movement in Chicago tremendously.

### Districts' Campaign

The Districts' portion of the Campaign has a stronger organization with larger numbers of people participating than ever before. "The satisfying thing about this is that the greatest number of campaign workers are people who are active Scouters with a personal stake in the success of the campaign," Stults said. "These men and women are the finest salesmen for Scouting, because they know and believe in the Scout program. They know the benefits that boys receive and can interpret this program in dollars to the public."

### Individual Cost Low

Commenting further, Stults said, "It costs \$15.45 a year to provide for one Scout. This is equal to the cost of a candy bar or package of gum each day for a year. It's equal to the cost of a daily purchase of a first class postage stamp, a small amount, indeed, as compared with the taxes we have to pay to keep a youngster in a penal institution."

Stults explained that the job is so easy that if each Scouter asked 3 men to raise \$15.45, the goal would be oversubscribed.

Everyone is backing and supporting the dynamic program of Scouting. Dedicated leaders are recruiting additional campaigners, campaigning themselves, giving leadership to boys and donating their own dollars. This is the true spirit of America. Chicago's Scout leaders are pace setters in demonstrating participating citizenship. The Finance Campaign Committee is grateful for the continued effective efforts of every Scouter in the Council to make the Scout Movement ever stronger.

## LABOR UNION LUNCH-O-REE

Chicago's leaders of organized labor gathered in an enthusiastic meeting at the Bismarck Hotel on January 13 to kick-off ticket sales for the Labor Union Lunch-O-Ree, the first Lunch-O-Ree ever to be held in Chicago.

Ray Schoessling, president of the Teamsters' Joint Council No. 25 and chairman of the Lunch-O-Ree said in a letter to union leaders that he was confident the \$50,000 goal set by labor will be reached.

The Lunch-O-Ree will be held March 9 at the Conrad Hilton Hotel and will feature entertainment by Chicago Boy Scouts. Tickets for the Labor Union Lunch-O-Ree may be purchased from Thomas J. Nayder, secretary of the Chicago Building Trades Council, 130 N. Wells St. Tickets are \$25.00 each or \$250.00 per table.

Honorary chairman of the Labor Union Lunch-O-Ree is William A. Lee, president of the Chicago Federation of Labor and a member of the Council Executive Board.
